To: All County Clerks and the Milwaukee County Board of Election Commissioners
From: Kevin J. Kennedy, Executive Director
Date: September 25, 2006
Subject: Materials for Ineligible Voter List and Wisconsin Deaths 2003-2006

As mentioned in the SVRS Election Alert #1, the State Elections Board is providing an Ineligible Voter List and Wisconsin Deaths 2003-2006 list to assist local election officials in detecting ineligible voters for the September Partisan Primary and November General Elections. The November materials are included with this memo.

The attached materials include the following:

- 1) Two Ineligible Voter Lists with Instructions per polling place in your county
- 2) One set of Ineligible Voter List Polling Place Instructions for each municipality and the county
- 3) One set of Ineligible Voter List Clerk Instructions per municipality and one for the county
- 4) One Wisconsin Deaths 2003-2006 list with Instructions per municipality and one additional list with instructions for the county
- 5) One CD containing the entire files for the Ineligible Voter List and Wisconsin Deaths 2003-2006 list for the State of Wisconsin for use by the county clerk.

Please distribute these lists and instructions to your municipalities as soon as possible. The lists will need to be used in preparing the poll books for the general election and verifying voter information at the polling place on Election Day, November 7.

Clerks with questions may contact their SVRS Specialist or the SVRS/SEB Help Desk at (608) 261-2028.

Thank you.
